

At 7:40 P. M., October 30, 1951, a meeting of Alpha Phi Omega was held in Room 11 of the Physical Education building. The delegates report of the proceedings at the Planning Conference was heard first. Among the business discussed there were the organizing of inspection teams to inspect the local troop buildings in regards to fire hazards, and the formation of deputation teams, in first aid, to become instructors to units in the surrounding area in cooperation with the Civil Defence Program. Chief Warner of the Hampden Franklin Council was introduced. He extended the cooperation of the Council to Alpha Phi Omega and then suggested some service projects which might be undertaken. One was the need for Assistant Scoutmasters in the two troops in Amherst and second, the formation of demonstration teams made up of scouts from troops in the Council on any phase of scouting that would be of help in the program of neighboring troops. A. P. O. would serve as a clearing house between scoutmasters for these teams. An introduction of members in the club, was suggested for the benefit of Chief Warner and the new members. Thomas O'Connell,

LaFreniere, Russell Taylor and John Bashman were appointed to the Planning Committee which will hold a meeting and organize the future meetings. Thursday night was chosen as an alternative meeting night. November 13 will be the deadline for Charter Members, the applicants wishing admission prior to this date will be placed on a waiting list. The meeting was adjourned at 8:15 P. M.

Respectfully,
