Order of Business:

Wes Mowry (Hampshire-Franklin Council) brought out the fact that his local council is interested in determining to what extent a local Order of the Arrow Lodge would benefit the camping program in the council. A brief discussion followed.

Charles Lincoln enlisted the aid of several pledges and members who were willing to serve on a Committee to handle the project of developing a book exchange for the following semester, and a meeting date for the committee was arranged.

The deadline for turning in pledge fees was set as the next chapter meeting which was agreed would be Jan. 21st, at 6:30 p.m. in French Hall.

It was decided that there would be one chapter meeting each two weeks, one meeting a month to be formal, the other informal. Various types of entertainment for formal meetings was discussed, including movies on winter camping. At an informal meeting of the officers present, it was agreed that chapter supplies would be sold slightly in advance of cost.

The meeting was adjourned at 9:30.

Respectfully submitted
