

Secretary's Report Mar. 19, 1953
Alpha Phi Omega

The meeting was opened by President Swenson at 7:30 P.M. The roll was called with 13 members present.

Charles Lincoln gave a report on the second hand book sale. We made a profit of \$1.40. We still owe some money to those who we sold books for and still have some books to return.

President A. Swenson gave us a pep talk and told the fraternity to get on the job. A. also told of the meeting he attended last Friday with Dean Curtis. The purpose of this meeting is to stir up appreciation in the students to have respect for the campus. Our part in this is not big, but we are represented on the committee.

Some of the committees were named. Martyr Jablonka said he would head up the Fellowship & Social Committee. Ted Small will be chairman of the Progress Committee. Russ Taylor will be chairman of the Publicity Committee. Members to work on these committees were also signed up.

Dedication of the pledge class was brought and discussed. A motion was made and recorded that the pledge class be named in honor of Mr. Herald Gore.

The matter of elections was brought up and discussed. It was decided to appoint a nominating committee composed of Martyr Jablonka, Bill Whitmore, Dave Houston, Charles Lincoln and Russ Taylor.

The treasurer said that we will be \$6 in the black when all money is in and all bills paid.

The conference at Springfield College was discussed. The date of the conference is April 10-12. The official delegate will be Charles Lincoln. He will leave Saturday morning.

Mr. Gore discussed the opportunities in Scouting as a profession.

It was decided to initiate Tom O'Connell at the end of the next meeting.

Other projects discussed were Civil Defense and welcoming parents.

Respectfully Submitted
Russell V. Taylor
Acting Recording Secretary
