

October 14, 1953

The second official meeting of Kappa Omicron chapter, for 1953, was called to order at 7:35 by President Charles Lincoln. President Lincoln introduced Dave Houston who discussed the possibility of an Ugly Man Contest on campus. The idea was endorsed by several members but no definite action was taken.

Martin Jablonka then took the floor to suggest a social event for Armistice Day. It was decided to hold a cookout on Mt. Toby and that members could come either Tuesday night and bunk out, or Wednesday noon after the Armistice Day parade. No members opposed this idea so it was assumed that all would attend. Dave Rogers and Jim Wixon volunteered to help Martin in arranging the details.

President Lincoln announced a bill of \$2.75 for refreshments at the previous meeting.

John McCann reported that the Maroon Key needed two members at 2PM on Oct. 16 to help make torches for the rally that evening.

Ways and means of improving rally bonfires were discussed.

Jim McCann announced a pledge meeting right after the regular meeting.

The regular meeting was closed at 8:15
