The Service Project Chairman is to find out if we could help at the Boston Celtics Basketball game on January 4th and at the Highschool Basketball Tournament in the spring.

Kappa Omicron Chapter was asked to help sell tickets for the Minstrel Showboat, during the week following vacation, in the C-store. Our names were left. First John McCane for those times we could sell tickets.

This part of the meeting was followed by the formal installation of Officers.

The new president, Dave Houston, took over the meeting after the installation.

The expansion of membership was brought up. It was suggested that we be at the Freshmen registration and make it our point to get some of those freshmen who are interested to come to the meetings during the second semester.

It was voted that the initiation of pledges to members will be held on January 20, 1954.

The meeting was adjourned at 8:30.

Respectfully submitted,
