

## A.P.O. Meeting of March 25, 1953

President Johnson opened the meeting at 7:30 extending a welcome to prospective pledges, Roland Havel and Don Johnson, following which Martin Jellonka gave a brief talk on A.P.O. history, principles & aims for the benefit of the guests. Next on the program was a selection of A.P.O. songs lead by Charlie Jacobson. Following the songs, two films were shown, the first on the new back pressure & arm lift method of artificial respiration, on which Mr. Cole gave some interesting details. The second film dealt with Camp Chestfield, council camp of the Hampshire Chapter Council, showing all the varied details of camp life. Bill Whitman accompanied the film with a running commentary. The open part of the meeting then closed with our infomog. ed-together of members & guests.

The second half of the meeting consisted of a business meeting. Bill Whitman, Dave Houston and Charlie Jacobson were named as definite delegates to the A.P.O. Springfield Conference. Minutes of the previous meeting and the treasurer's report were given jointly by Dave Houston. The treasurer's report was unchanged from that of Nov 18, with six dollars cash on hand.

Dave Houston gave a report on the poor condition of our present files and emphasized the necessity for writing a comprehensive history, bringing the files up to date.

Bill Whitman, Chairman of the nominating committee, prepared the nominations with a warning that new members must be acquired to meet the maintenance of our required minimum of 25 after the 53 members graduate.

Nominations were then made as follows:
