

General Meeting  
Monday, March 14

The question of transportation to MIT was again brought up, and again dismissed unanswered, as ~~was our~~ were our inquiries about Dean's excuses from Saturday classes.

Jon announced that he had reserved the weekend of May 7th at the Morningside camps for our Region One service project.

There will be a Pledge Initiation Ceremony next Mon. at 7:30 at Memorial Hall, provided Ken Hedberg gets-on-the-stick and reserves it.

Respectfully, submitted,

Parker Cleveland, Sec.
