The meeting was called to order with the formal opening ceremony by President Marty Rosenberg at 7:00 p.m.

The Service report was given by Steve Pretanik. The Membership report was presented by John Kucharaki, mentioned the success of the football game, the completion of the Little Brother Critique sheet, that the pledge project will be painting a room at Belchertown State School this Saturday afternoon, and the Boards of Review have been drawn up. There will be a Membership meeting on the 01 Dec. 64. Dave Mitchell gave his Administration report which included a few words from Dave Arlen about his excellent newsletter and a mention of the fact that the party seems to be coming along fairly well. The Finance report was given by Roger Crouse.

Marty read a letter from the Alumni Office which offered congratulations for attaining first in the nation and also to speak of the possibility of moving the Chapter room temporarily while renovations are completed in the basement of Memorial Hall.

Marty spoke of a letter from Tom Christianson who is organizing a pledge colony to A.P.O. at Fitchberg State Teacher's College.

Move: to amend the motion "that the Chapter continue for the Denver Convention, it's tradition of making financial support available to the several delegates who attend the Convention." by deleting "continue" and "its tradition of making", and "several delegates", and by adding the words "make", and "only the two voting delegates and one alternate, as elected by the Brotherhood."; so that the amended motion is to read "that the Chapter make, for the Denver Convention, financial support available to only the two voting delegates and the one alternate, as elected by the Brotherhood."
(Roger Crouse) no action as such

MSD : to amend above amendment by inserting "suspend its tradition" in place of "continue its tradition". ~~IBX~~

MS : to amend amendment by deleting the words "and the one alternate". (Ed Skea) no action as such

MSD : to suspend the rules in order to discuss certain improprieties in business concerning the Chapter. (R. Jones)

At this point, the original motion to amend and ~~its~~ the amendments to it were all ruled out of order because motion which was passed last week by the Brotherhood was not ~~on~~ on the floor, as it must be in order to consider amendments.

An appeal to the Brotherhood was voiced on whether the rule of the Chair shall stand. The ruling was that there was no way at this meeting of verifying the vote of Brother Skea on the motion which was passed last week.

A roll call vote was called for in the counting of the votes on the appeal. Before the roll call results were announced, a quorum was called, it was not met, and the meeting was automatically adjourned at 8:15.

Respectfully submitted,
