

ALPHA PHI OMEGA
Minutes of meeting 5/4/70

/Service VP- Fitchburg State (Omicron Psi) has invited us to help them to finish the ski slope, which we have almost completed with them before. They will also throw us a party that night at a place in Fitchburg. Sign up tonight with Bob Flew!

Membership VP- Not much to do for the rest of the semester.

Social VP- Garry Marcone is working on a cup party for this week.

Old Business- The motions for the award was withdrawn.

New Business- Sgt. at Arms- Steve Burman
Corresponding Secretary- Ron Kurtzman

Alumnae Secretary *Tom Piccuch*

We do not have an Historian as of yet

Exec Board- The Strike Committee for commuters wants our Chapter room for the purpose of using it as a telephone center for commuter Strike. They would like it because it is supposed to have a telephone tie-in box. However, the janitors closet next door ~~is~~ has the same facilities, although they do not want it because it has no windows. A proposal was made to refuse the request, but that we pay for the wire tie-in to show our cooperation with the ~~strike~~ committee. They say that they will move our equipment out of the room and back into it when it is no longer needed. Also they say that ~~the~~ the equipment will be placed in a safe place, in in a room down the corridor.

Problems to be encountered include that we cannot be absolutely sure that our equipment will be completely safe and properly handled. We can have them sign a legal document through a Notary Public to thais effect. Providing that we have the tie-in, the phones can be put in the hall, with us paying for the wiring. They will provide a list of all people working there. A representative will come tonight to discuss further this proceeding.

It needs to be mentioned that they already have Mass Review across the hall.

Respectfully Yours,

W. Leo Edmonds
