Dear Sirs:

The Council on Aging and the older residents of the community whom we serve, are indeed grateful for your help in painting the ceiling of the Senior Community Center on September 13. This is something that has long been wanted and needed but could not have been accomplished without this volunteer labor.

Please pass on our special thanks to the dozen members who donated their time and labor on a busy Saturday for this community service: Joe Cosgrove, Leo Edmunds, Joe Haebler, Chris Fredericks, Bill Gleason, Al Hunter, Dennis Klayton, Sandy Sweet, Steve Sheiffer, Bill Vigneaux, Dave Welsh, and Dave Whitney.

Did you see the picture of the painters in the Hampshire Gazette, September 16? This is excellent publicity for your fraternity, the Gamma Sigma Sigma Sorority, and the Senior Community Center.

Sincerely,

  
Jeannette M. Elder  
Corresponding Secretary
